Silicon Nitride Windows

ANFF-Q Order List 2017

\$15
per window

ANFF-Q provides Silicon Nitride windows for synchrotron applications at a flat rate of **AUD\$15** per window.

Select your window parameters from the following options, or contact ANFF-Q to request a custom design.

Frame Thickness +	Frame Size	+ Window Size	+ Film Thickness
675µm	5mm x 5mm	500µm	50nm
		1000µm	100nm
	10mm x 10mm	2500µm	250nm
			500nm
		4000µm	750nm
			1000nm

Custom windows are available at the standard rate; simply email your specifications to anff@uq.edu.au. Due to process development time, there may be a longer production time for custom windows.

Only square windows are available.

\$22

flat shipping cost
per delivery*

- All prices are in AUD and exclude GST.
- If you wish to order by wafer, the wafer will be charged at the equivalent per window rate.

*Shipping cost listed is for Australian deliveries only. For international shipping charges email anff@uq.edu.au.
