Other costs that are not included in the hourly rates are:

- Consumable costs (charged at cost +10%)
- Any legal fees incurred
- GST, if applicable

Please note that the standard access rate for the 3D printers is \$16.50 per hour for all clients. An additional hourly fee will be charged for assisted access.

[±]Assisted access rates are charged when ANFF-Q personnel perform the work with you or on your behalf. Assisted access rates will not be charged for training.

^{*}An additional hourly fee will be charged for assisted access work performed under ANFF-Q annual memberships (\$55 per hour) and Industry bulk purchases (\$106 per hour). ANFF-Q annual memberships and Industry bulk purchases are only valid for work performed at the ANFF-Q Site from which they are purchased (i.e. The University of Queensland Site or the Griffith University Site).
